DELTA HEAT COLLECTION

OUTDOOR COOKING AT HOME

 **DOMETIC** HOME

READY FOR THE WEEKEND

Welcome to Dometic Delta Heat

We understand that the right features, exceptional performance and longevity are important to you. We also understand that style and design are key factors when selecting your outdoor appliances. Every Delta Heat product comes with an unmistakable appeal that meets and exceeds these requirements. After all, your home is a reflection of your personal style. Your grill and outdoor kitchen should not be an exception.

Grills and Accessories
**DELTA HEAT
GAS GRILLS**

Dometic Delta Heat 38 Gas Grill. Also available in 26 and 32 inch models. Suitable for built-in or free-standing application (base sold separately)

MASTER THE ART OF GRILLING

The Dometic Delta Heat Gas Grill is a fully featured, exceptionally designed product that provides everything you need to master the art of grilling. Available in three sizes to suit your outdoor kitchen

project. Each grill is the beneficiary of decades of gas engineering excellence and an eye to design. The result is a grilling solution that gets the job done, every time.

Introducing the ALL-NEW
**DELTA HEAT
 PIZZA OVEN**

ELEVATE PIZZA NIGHT TO NEW HEIGHTS

Impeccable design and construction, coupled with incredible convenience and reliability – with the results to match. No detail has gone unnoticed. Independently controlled burners for both hearth and dome allow for precision temperature control to suit the

requirements of your cook. Capable of extremely high temperature that make artisan pizza in minutes. Inset glass doors create a beautiful presentation. The Dometic Delta Heat Pizza Oven is available in either built-in or countertop application.

COOKING ACCESSORIES

Expand your outdoor cooking capabilities with one of our specialty cooking accessories such as the Power Burner, Teppanyaki, or a side burner combination of your choice.

CUTOUT DIMENSIONS

Allow minimum of 3" clearance from the grill's rear edge (3.75" from cutout) to the backsplash to allow hood to fully open.

Rotisserie Motor can be installed either on the right hand side or left hand side.

COUNTERTOP OVERHANG
 Note: Required to ensure a flush fit of all grills and cooking accessories (excluding the drop-in single side burner).
 *Add 3.75" to allow for hood opening

DHAD-C
 Note: See table below for 26"-42" double access door dimensions.

INSULATING JACKETS

- Stainless steel construction
- Polished stainless steel trim
- For installation in combustible construction
